COUNCIL MEETING

June 21, 2023

Page 26

Purpose.

It is the purpose of this article to implement the provisions of P.L. 2021, c. 16, which authorizes the governing body of a municipality to adopt an ordinance imposing a tax at a uniform percentage rate not to exceed two percent (2%) of the receipts from each sale by a cannabis cultivator; two percent (2%) of the receipts from each sale by a cannabis manufacturer; one percent (1%) of the receipts from each sale by a cannabis wholesaler; and two percent (2%) of the receipts from each sale by a cannabis retailer, which shall be in addition to any other tax or fee imposed pursuant to statute or local ordinance or resolution by any governmental entity upon the cannabis establishment.

Unless otherwise defined herein, the Borough adopts by reference the terms and definitions established by Section 40 of Public Law 2021-16 (N.J.S.A. 24:61-33).

1. Tax Established.

A. There is hereby established a local cannabis transfer tax in the Borough which shall be fixed at a uniform percentage rate of two percent (2%) of the receipts from each sale by a cannabis cultivator; two percent (2%) of the receipts from each sale by a cannabis manufacturer; one percent (1%) of the receipts from each sale by a cannabis wholesaler; and two percent (2%) of the receipts from each sale by a cannabis retailer for every occupancy of a cannabis establishment in the Borough.

B. In addition to the tax established in paragraph A of this section, a user tax, at the equivalent transfer tax rates, is hereby established on any concurrent license holder, as permitted by section 33 of P.L.2021, c.16 (C.24:61-46), operating more than one cannabis establishment. The user tax shall be imposed on the value of each transfer or use of cannabis or cannabis items not otherwise subject to the transfer tax imposed pursuant to paragraph A of this subsection, from the license holder's establishment that is located in Borough to any of the other license holder's establishments, whether located in this Borough or another municipality. The value of each transfer or use of cannabis or cannabis items for user tax computation shall equal the statewide average retail price of an ounce of usable cannabis for consumer purchase, as determined by the Cannabis Regulatory Commission less ten percent (10%) or the third-party dispensary wholesale price, whichever is less.

C. Any transaction for which the transfer tax or user tax is imposed, or could be imposed, pursuant to this section, other than those which generate receipts from the retail sales by cannabis retailers, shall be exempt from the tax imposed under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.)

2. Tax in addition to other taxes or fees.

The cannabis transfer tax shall be in addition to any other tax or fee imposed pursuant to statute or local ordinance or resolution by any governmental entity upon property or cannabis establishment.

3. Collection.

A. The transfer tax or user tax imposed by this article shall be collected or paid, and remitted to the Borough by the cannabis establishment from the cannabis establishment purchasing or receiving the cannabis or cannabis item, or from the consumer at the point of sale, on behalf of the Borough by the cannabis retailer selling the cannabis item to that consumer. The transfer tax or user tax shall be stated, charged, and shown separately on any sales slip, invoice, receipt, or other statement or memorandum of the price paid or payable, or equivalent value of the transfer, for the cannabis or cannabis item.

B. Every cannabis establishment required to collect a transfer tax or user tax imposed by ordinance pursuant to this section shall be personally liable for the transfer tax or user tax imposed, collected, or required to be collected under this section. Any cannabis establishment shall have the same right with respect to collecting the transfer tax or user tax from another cannabis establishment or the consumer as if the transfer tax or user tax was a part of the sale and payable at the same time, or with respect to non-payment of the transfer tax or user tax by the cannabis establishment or consumer, as if the transfer tax or user tax was a part of the purchase price of the cannabis or cannabis item, or equivalent value of the transfer of the cannabis or cannabis item, and payable at the same time; provided, however, that the Chief Financial Officer of the Borough shall be joined as a party in any action or proceeding brought to collect the transfer tax or user tax.

C. No cannabis establishment required to collect a transfer tax or user tax imposed by this section shall advertise or hold out to any person or to the public in general, in any manner, directly or indirectly, that the transfer tax or user tax will not be separately charged and stated to another cannabis establishment or the consumer, or that the transfer tax or user tax will be refunded to the cannabis establishment or the consumer.

D. All revenues collected from a transfer tax or user tax imposed by ordinance pursuant to this section shall be remitted to the Borough's Chief Financial Officer on a quarterly basis payable for the prior three month's activities and due at the same time as quarterly dates for the collection of property taxes. The revenues due on February 1 of each year shall include all transfer taxes or user taxes collected for the prior year months of October, November and December. The revenues due on May 1 of each year shall include

COUNCIL MEETING

June 21, 2023

Page 28

all transfer taxes and user taxes collected for the immediate prior months of January, February and March. The revenues due on August 1 of each year shall include all transfer taxes and user taxes collected for the immediate prior months of April, May and June. The revenues due on November 1 of each year shall include all transfer taxes and user taxes collected for the immediate prior months of July, August and September.

4. Payment; vendor violations and penalties.

A. The Chief Financial Officer shall collect and administer any transfer tax or user tax imposed to this section.

B. The municipality shall enforce the payment of delinquent taxes or transfer fees imposed pursuant to this section in the same manner as provided for municipal real property taxes.

C. In the event that the transfer tax or user tax imposed by this section is not paid as and when due by a cannabis establishment, the unpaid balance, and any interest accruing thereon, shall be a lien on the parcel of real property comprising the cannabis establishment's premises in the same manner as all other unpaid municipal taxes, fees, or other charges. The lien shall be superior and paramount to the interest in the parcel of any owner, lessee, tenant, mortgagee, or other person, except the lien of municipal taxes, and shall be on a parity with and deemed equal to the municipal lien on the parcel for unpaid property taxes due and owing in the same year.

D. A municipality shall file in the office of its tax collector a statement showing the amount and due date of the unpaid balance and identifying the lot and block number of the parcel of real property that comprises the delinquent cannabis establishment's premises. The lien shall be enforced as a municipal lien in the same manner as all other municipal liens are enforced.

5. Chief Financial Officer's Authority

The chief financial officer is charged with the administration and enforcement of the provisions of this chapter, and is empowered to prescribe, adopt, promulgate and enforce rules and regulations relating to any matter pertaining to the administration and enforcement of this chapter, including provisions for the reexamination and corrections of declarations and returns, and of payments alleged or found to be incorrect, or as to which an overpayment is claimed or found to have occurred, and to prescribe forms necessary for the administration of this chapter. Should a cannabis establishment fail or refuse to provide adequate information to the chief financial officer to determine the amount of tax due, the chief financial officer may use information provided to the chief financial officer from other

sources (i.e., the Commission or Department of Treasury) to determine the amount of tax liability.

It shall be the duty of the chief financial officer to collect and receive the taxes, fines, and penalties imposed by this chapter. It shall also be the duty of the chief financial officer to keep a record showing the date of such receipt. The chief financial officer is authorized to enter into agreements with the State of New Jersey to obtain information to facilitate administration of the tax. The chief financial officer is authorized to issue a ruling upon written request of a taxpayer or upon its own volition.

The chief financial officer is hereby authorized to examine the books, papers, and records of any taxpayer to verify the accuracy of any declaration or return, or if no declaration or return was filed, to ascertain the tax due. Every taxpayer is hereby directed and required to give to the chief financial officer, or to any agent designated by him/her, the means, facilities and opportunity for such examinations and investigations, as are hereby authorized. The chief financial officer can require an audit by a third-party municipal auditor at the taxpayer's expense.

#### 6. Cannabis Taxpayer's Obligations

Taxpayers liable for the transfer tax are required to keep such records as will enable the filing of true and accurate returns or the tax and such records shall be preserved for a period of not less than three (3) years from the filing date or due date, whichever is later, in order to enable the chief financial officer or any agent designated by him to verify the correctness of the declarations or returns filed. If records are not available in the municipality to support the returns which were filed or which should have been filed, the taxpayer will be required to make them available to the chief financial officer either by producing them at a location in the municipality or by paying for the expenses incurred by the chief financial officer or his agent in traveling to the place where the records are regularly kept.

All Cannabis Establishments operating in the municipality are required to file a transfer tax return with the chief financial officer to report their sales during each calendar quarter and the amount of tax in accordance with the provisions of this chapter. Returns shall be filed, and payments of tax imposed for the preceding calendar quarter shall be made on or before the last day of April, July, October, and January, respectively. A taxpayer who has overpaid the transfer tax, or who believes it is not liable for the tax, may file a written request on an amended tax return with the chief financial officer for a refund or a credit of the tax. For amounts paid as a result of a notice asserting or informing a taxpayer of an underpayment,

The returns filed by taxpayers, and the records and files of the chief financial officer respecting the administration of the transfer tax, shall be considered confidential and privileged and neither the municipality nor any employee or agent engaged in the administration thereof or charged with the custody of any such records or files, nor any former officer or employee, nor any person who may have secured information therefrom, shall divulge, disclose, use for their own personal advantage, or examine for any reason other than a reason necessitated by the performance of official duties any information obtained from the said records or files or from any examination or inspection of the premises or property of any person. Neither the chief financial officer nor any employee engaged in such administration or charged with the custody of any such records or files shall be required to produce any of them for the inspection of any person or for use in any action or proceeding except when the records or files or the facts shown thereby are directly involved in an action or proceeding under the provisions of the State Uniform Tax Procedure Law or of the tax law affected, or where the determination of the action or proceeding will affect the validity or amount of the claim of the municipality under the tax provisions of this chapter.

7. Audit of Cannabis Taxpayer and Assessment

The chief financial officer may initiate an audit at the taxpayers' expense by means of an audit notice. If, because of an examination conducted by the chief financial officer, a return has not been filed by a taxpayer or a return is found to be incorrect and transfer taxes are owed, the chief financial officer is authorized to assess and collect any tax due. If no return has been filed and tax is found to be due, the tax actually due may be assessed and collected with or without the formality of obtaining a return from the taxpayer. Deficiency assessments (i.e., where a taxpayer has filed a return but is found to owe additional tax) shall include taxes for up to three (3) years to the date when the deficiency is assessed. Where no return was filed, there shall be no limit to the period of assessment.

Upon proposing an assessment, the chief financial officer shall send the taxpayer an interim notice by certified mail, return receipt requested, which advises the taxpayer of additional taxes that are due.

Should the taxpayer wish to dispute the assessment administratively by requesting a hearing with the chief financial officer, it must do so within thirty (30) days of the date of such interim notice. If, after the chief financial officer sends an interim notice, a taxpayer fails to timely request a hearing with the Chief financial officer or requests a hearing and

after conducting a hearing, the chief financial officer determines that the taxes are due, the chief financial officer shall send the taxpayer by certified mail, return receipt requested, a final notice. Should the taxpayer wish to dispute the assessment set forth in the final notice, he or she must initiate an appeal in the New Jersey Tax Court within ninety (90) days after the mailing of any final notice regarding a decision, order, finding, assessment, or action hereunder.

#### 8. Lawsuits for Collection of Taxes

The following periods of limitations shall apply to suits for collection of taxes: (i) When a return has been filed but no tax paid, any suit brought to recover the tax due and unpaid shall be filed within two (2) years after the return was due or filed, whichever is later; (ii) Where no return was filed or a fraudulent return was filed, there shall be no limits to file suit for the collection of taxes; and (iii) Where, before the expiration of the time prescribed in this Section for the filing a lawsuit against the taxpayer, both the chief financial officer and the taxpayer have consented in writing to its extension after such time, the suit may be filed at any time prior to the expiration of the period agreed upon. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon.

Any person who receives an interim notice from the chief financial officer may within thirty (30) days after the date of an interim notice, request a hearing with the chief financial officer. Any person who fails to request a chief financial officer's hearing in a timely manner waives the right to administratively contest any element of the assessment. The chief financial officer shall accept payments of disputed tax amounts under protest pending appeals; however, any request for a refund of such monies must be filed in accordance with this Section.

Any aggrieved taxpayer may, within ninety (90) days after the mailing of any final notice regarding a decision, order, finding, assessment, or action hereunder, or publication of any rule, regulation or policy of the chief financial officer, appeal to the Tax Court pursuant to the jurisdiction granted by N.J. Stat. Ann. § 2B:13-2a(3) to review actions or regulations of municipal officials by filing a complaint in accordance with the New Jersey Court Rule 8:3-1. The appeal provided by this Section shall be the exclusive remedy available to any taxpayer for review of a final decision of the chief financial officer in respect to a determination of liability for the tax imposed by this chapter.
